

Supporting the future from every angle.

Since 1893, the College of Engineering and Applied Science has focused on educating future engineers. And now, more than ever, we need to invest in our tradition of excellence and retain our competitive advantage.

You can help by keeping us in your sights for support. Our foundation staff works with you and your advisors to tailor a gift to the College of Engineering and Applied Science that fits your goals. Learn more by contacting Art Dawson at 303.735.0973 or by visiting our website at engineering.colorado.edu/alumni/investing.htm
